

11-pole DIN-socket

ISO 1

Features

- For amplifier with 11-pole DIN-plug
- Screw connections
- Mounting on DIN-rail NS 35/7,5

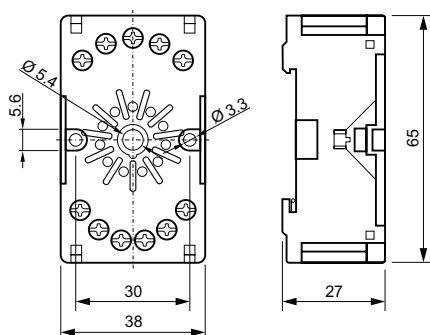

Order table

Description	Order code
For connecting and DIN-rail mounting of amplifier with DIN-plug	ISO 1

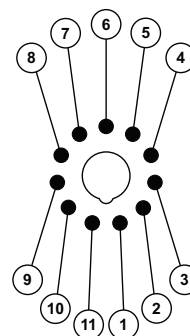

Technical Data

Rated current / Rated voltage	12 A / 300 VAC (CSA) 10 A / 300 VAC (UL)
Dielectric strength adjacent contacts	2500 V
Connection data	
Conductor cross section solid and stranded	min. 0,5 mm ² max. 2,5 mm ²
Conductor cross section AWG	min. 20 max. 14
Stripping length	7 mm
Screw thread	M3
General data	
Width	38 mm
Height	65 mm
Color	Black
Ambient temperature (operation)	-25 °C ... +85 °C
Approvals	CE, UL, RoHS

Dimension drawing (in mm)
